HAGMAN APPOINTS BEN LOPEZ TO WEST VALLEY VECTOR CONTROL DISTRICT

SAN BERNARDINO, CA – Supervisor Curt Hagman announced, the appointment of Ben Lopez to the West Valley Mosquito and Vector Control District. The Board of Supervisors unanimously voted to confirm the appointment, Tuesday morning, during their regularly scheduled meeting.

Ben Lopez, life-time resident of Montclair, is a licensed Notary Public. He has been actively engaged in the community for the past 25 years and followed in his family's tradition of public service. In the past, Ben has served as a Member of the Ontario-Montclair School Bond Oversight Committee, Member of Montclair Citizens Fire Commission, and Member & Secretary of the Montclair Youth Accountability Board.

"Ben understands the importance of public service and knows the needs of the Fourth District Community through his previous service on various commissions," expressed Supervisor Hagman.

The West Valley Mosquito and Vector Control District (WVMVCD) is governed by a 6 member Board of Trustees. Five trustees are appointed by the City Council of each city covered by the Vector Control District, and one trustee is appointed by the Board of Supervisors. Trustees can serve two to four years.

WVMVCD is a non-profit public agency dedicated to the management of insects and animals of public health importance. Vector Control Districts have existed in California for decades, and are integral to the safety and comfort of residents all throughout our state.

Supervisor Curt Hagman was elected in November 2014 to represent the Fourth District, which includes the cities of Chino, Chino Hills, Ontario, Montclair and Upland (partial).
